

Launching in Spring 2023
with Mirakl technology

MARKETPLACE

Boots.com, the UK's most visited health and beauty website is launching a marketplace

Extending the range of boots.com – the UK's most visited health and beauty website, even further

Offering customers single checkout and the benefits of shopping with Boots including Advantage Card points

Access to the millions of monthly visitors to boots.com and the Boots App

Boots is looking to work with hundreds of new suppliers including established brands

Products will be seamlessly integrated with Boots' existing product range on boots.com

Focus on health, beauty, baby and wellness brands, building on the strength of its existing business to offer unrivalled choice for consumers

Brands can register their interest here:
